Your Excellency, Mr. Piotr Krzystek, Mayor of Szczecin

On behalf of Danish citizens, we would like to give our heartfelt thanks for showing empathy and justice for our Danish citizen Katrine Jensen and her newborn son.

We would like to give our sincere gratitude to your staff who handled the case with professionalism and dignity so that Katrine Jensen and her newborn son could get a fair and humane treatment. We would also like to give our sincere gratitude to the Court which provided Katrine Jensen and her newborn son a fair trial. A treatment that unfortunately cannot be obtained in Denmark.

The respect for human rights, and especially the respect for the right to family life, which Your Excellency and Poland have shown, has given us a belief that there is still an opportunity for Danish citizens to obtain protection and the right to take care of their own children in other countries within Europe. In Denmark it is not possible to protect your children and family life against arbitrary action by public authorities within the scope of Article 8 the scope of Article 8 of the Convention

Your Excellency, mayor of Poland, please receive our gratitude and respect for your protection of Katrine Jensen and her newborn son. We hope that the new family will integrate well in Poland and that they will make a positive contribution to your municipality Szczecin.

Sincerely yours

Chairwoman Angelina Maalue Avalon, vice chairwoman Mirel Lundberg Gugic, and concerned people in Denmark
